This is something new and different!

You are invited to join the Dominican Sisters and three of our greatest saints for breakfast, community, and great conversation. The programs are short, two hours each — just enough for a spiritual pick-me-up and energizer.

We'll meet Mary Magdalene, Preacher to the Apostles and the Patron Saint of Dominicans. Beautiful and gentle Rose of Lima was one of the first Saints of the new world. Feisty Catherine of Siena, unable to read or write, was one of the first women to be named a Doctor of the Church.

Come to all three breakfasts or, if you can only make one or two, each program can stand alone. Breakfast begins at 10:15 with a short prayer. The presentation follows.

All Breakfasts are 10-12:00 on Tuesday.

Presenters:

Sister Deborah Baker, OP is the newest member of our Retreat Staff. Sister Janie Keenoy, OP is well known to many of you. Both are looking forward to sharing their genuine love and respect for these great Dominicans.

Offering:

The cost for each breakfast program is \$25. **You can attend all three breakfasts for \$60 if you pay by April 5th!** Register early and bring your friends!
