Choose a private or directed
retreat experience to suit your needs

The time and care we give to our interior life spreads outward to every facet of our lives. Take time to rest, reflect, and strengthen your relationship with God. This silent retreat, open to women and men, begins Friday, July 23 at 7:30 p.m. and will conclude Wednesday, July 28 at about 3:00 p.m. As we are rooted in the Roman Catholic tradition, Eucharist will be celebrated daily (with the exception of first day, July 23).

Choose the retreat format that suits you:

Private: Time to be alone in silence. The retreatant follows his/her own schedule of prayer and does not meet individually with anyone on staff during retreat. Reservations may be made for any part of the week or the entire 6 days.

Offering: \$70.00 per overnight or
\$375.00 for the entire time

Directed: The retreatant meets once a day with a director who suggests Scripture passages for prayer and assists the retreatant in discernment of God's presence. It is recommended that those choosing to make a Directed Retreat plan to be here for the full 6 days.

Offering: \$450.00

Directors:

All are trained in Spiritual Direction and experienced in giving directed retreats.
