

Mother/Daughter Dinner at Dominican Retreat

Thursday, May 7, 2009

5:45 – 8:45 p.m.

Always My Daughter, Forever My Friend

Presenter: Sister Charlotte Lee, OSB

“There is an appointed time for everything.” Ecclesiastes 3:1-8

Every Mother-Daughter Relationship grows through the Seasons of their Lives. Generation after generation we learn and grow from the women who have gone before us: Great Grandmothers, Grandmothers, Mothers, sisters, aunts, teachers, and friends. They leave behind a legacy that sustains and nurtures us through the good times and the tough times. May we never forget their unconditional love, sacrifices, and Faith that have brought us to this time in our history. Let us celebrate with joy the gifts we are and have been to one another.

Sr. Charlotte Lee, OSB, was born, raised, and educated in Richmond, VA. Prior to becoming a Benedictine Sister she was married for 23 years, and is the mother of three, grandmother of six, and great grandmother of twelve. Sr. Charlotte was also a foster mother for Catholic Family and Children Services for many years. She entered the Benedictine Sisters of Virginia in 1996, currently serves her community as Oblate Co-Director, Retreat Leader, Spiritual Director, and facilitator of Lectio Divina and Centering Prayer groups.
