Performance & Reception

In C.S. Lewis' classic *The Lion, the Witch, and the Wardrobe*, the children open the wardrobe and are transported into another world. In Anita Gutschick's "The Wife, the Witch, and the Virgin," we meet Miriam, a modern-day character. Her life is falling apart, so after being prodded by her mother, she opens the Bible "wardrobe" and is transported into another world where she meets Job's wife, the Witch of Endor, and Mary, the mother of Jesus. In this fascinating new world she learns biblical truth and valuable life lessons.

Women of the Bible is a dramatic, one-woman presentation that spans the lives of women across the Old and New Testaments. Through a series of monologues, these women recount their personal stories, shedding light on their lives in a dramatic and engaging way. Audiences that have seen Anita's other programs will be surprised to see that she never leaves the stage to make her costume changes. She transforms herself into each of the characters with very simple costume pieces and props.

Anita Gutschick is known in the greater Baltimore-Washington area for her stage work since 1989. She has studied acting, voice, and movement. Professionally, she has worked in video, film, and radio.

Anita is a member of the National Speakers Association and a member of Christians in Theatre Arts. She is an ordained deacon in her church and trained as a Stephen Minister. Anita developed *Women of the Bible* in 1995 and through God's calling, it has become her most passionate vocation.
